Note- I prefer the M1R and M1L but you can also make the increases by purling into both the front and back of the same stitch.

M1R = Make 1 right Using your left needle, pick up the top strand that goes between the needles from back to front. Knit the loop you picked up through the front.

M1L= Make 1 left Using your left needle, pick up the top strand that goes between the needles from front to back. Knit the loop you picked up through the back.

BO= Bind off

C4B : Cable 4 Back Slip 2 stitches onto cable needle, hold to back of work. Knit next 2 stitches from left needle. Knit 2 stitches from cable.

C4F: Cable 4 Forward Slip 2 stitches onto cable needle, hold to front of work. Knit 2 stitches from left needle, knit 2 stitches from cable needle.
